The Victoria Bowmen Archery Club Yearly Membership Drive Reminder

Dear Archers:

This is a friendly reminder that your Victoria Bowmen yearly membership dues will be due before the end of this year. Membership fees have not changed since last year; they are: \$160 for a single Junior or Senior, \$240 for a couple, \$280 per family and \$20 for a non-shooting associate. A membership form is included here for your convenience.

Your club directors seriously considered a reduction in fees for the year 2010 due to the uncertainty of acquiring an outdoor shooting range for the year. However, in all likelihood we hope to have a place to shoot before the end of the winter indoor shooting schedule and we will undoubtedly still require significant funds to pay for land rental at whatever location we are able to attain. Your club directors will continue to review club fees in 2010.

This junction in your club's history is critical to our survival and continuance. We are confident that we will find a suitable range for outdoors before March 2010, however, we need your help as a club member. We hope you will continue to be an active archer and supporter of this great club. Please join for indoor shooting over the winter at our indoor range at:

Sangster Elementary School, 3325 Metchosin Road, Colwood.
Tuesday evenings: 8-10PM
Saturday mornings: 10AM-1PM

(NB: please check our website first (<http://www.victoriabowmen.com>) – there are some non-shooting days particularly over the Christmas season).

Also, your club can seriously use as many good eyes as possible for hunting down a suitable outdoor range. Please assist by approaching any possible land owners anywhere within the Greater Victoria area who you suspect may have some appropriate land that they might be interested in renting to us. We realise it may be difficult to find suitable land for both target and 3D-Field archery and we may have to resort to finding two distinct locations for target and for 3D on a temporary basis. If you do locate a potential site please contact any of the club directors for assistance in making initial contact with the landowner.

Thank you for your continued support of your club.

Sincerely,

Larry Gagnon
Membership Director

The Victoria Bowmen Association

Membership Year: 2010
Membership Application Form

Name: _____ Phone: _____

Address: _____ City: _____ PostCode: _____

Email: _____ Male Female Renewal: No Yes FCA#: _____

TYPE OF MEMBERSHIP
